

SP-i600

iPad Docking Speaker System

Genius proudly presents a new iPad Speaker, SP-i600, that can work with iPad2, iPad and even iPhone and iPod. Now you can watch movies or listen to music directly through your iPad. SP-i600 has two 2" driver units that provide powerful 4W output and excellent deep bass. You can also rotate the docking base in landscape or portrait orientation, whichever is more convenient for videos. To keep the fun going, you can also charge your iPad at the same time. You can even control your device with the convenient remote control.

With all these exciting features, iPad can be your home theater. Contact your sales representative for more information about SP-i600.
